MOOBOO - GREEN STREET

Mooboo is an exciting bubble tea concept that sells the best bubble tea in the UK. Invented in the 1980s, bubble tea (also called black pearl tea or boba tea) is a beloved Taiwanese classic.

Our expansive menu with over 1000 combinations has enriched the overall experience of customers of all ages.

We craft made to order tea-based beverages with deliciously freshly cooked tapioca or fruit flavoured popping bobas. At Mooboo, we strive to make a better bubble tea, brewing our bases with jasmine and/or black tea and offering a variety of milk alternatives, as well as lighter versions of our drinks.

You can customize each and every drink for your own taste. This means you can change the level of sweetness or ask for a lower calorie organic soya / oat milk alternative.
